

District 6970 Polio Plus Commitment Form

The Rotary Foundation has received a \$100,000,000 matching grant for Polio Plus from the Bill and Melinda Gates Foundation. In order to match this grant, each club should set its own goal and pledge for itself and its members over the next three years ending December 31, 2010. Please consider a minimum of \$75 per member, per year, for three years. The clubs in 2002-2005 were part of your District's fantastic \$1,200,000 gift, one of 13 in the world. Let's lead the Rotary World again! This amount is a guideline and each club is free to make its own commitment.

Please use this form to indicate your club's commitment.
